1. The Comptroller asks for the formal sanction of Government for the arrangement he has made to fit in the menial Establishment under the old scale, to the revised scale

(a) One old scale book-binder on Rs.18/- though illiterate; has been taken on; as an attender on Rs.18/- in the new scale.

(b) One old scale Mutchi on Rs.16/- also illiterate, has been taken on as an attender on Rs.16/- in the new scale

(c) One old temporary Mutchi on Rs.14/- of the Railway Construction Section, also illiterate, has been taken on as a temporary attender on Rs.14/- sanctioned in the new scale for that office.

All attenders are required to be literate men, and as all the 3 are illiterate, he seeks the approval of Government for the arrangement made, pending their absorption in some sanctioned establishment in the Comptroller's or other office. It may be approved.

2. The following new appointments are proposed -

(a) One attender on Rs.16/-, for current Records

(b) Two book-binders on Rs.20 and 18

(c) One peon for commercial auditor on Rs.8/-.

Serial No.	
	(d) Two watchmen on Rs.9/- and Rs.8/-.
	The reason assigned for (a) is that
	Mr. Datta's Note, did not provide for it and so none was sanctioned for it in the re-
	organization. Whether the omission in the
	note to provide for it, was intentional or
	unintentional, is not clear. It appears to
	be however, necessary to have an attender for
	the work in the current Records also, and
	one on Rs.14/-, the minimum remaining pay of an
	attender may perhaps be sanctioned instead
	of one on Rs.16/-, as proposed.
	The reason assigned for (b) is that
	one binder now sanctioned is not sufficient
	to cope with the work and that a large
	number of papers, library books with paper
	wrappers, books and registers damaged by
	constant handling, require binding and re-
	binding which cannot be done by one man.
	Perhaps one on Rs.20/- may be sanctioned for
	the present instead of 2 as proposed.
	The reason for (c) is the same, for
	which a peon has already been sanctioned to
	each one of the local and outside auditors.
	This may be sanctioned.
	The reason for (d) is that the office
	rooms are situated in all the 3 floors of

MADRAS

Mr Datta clearly ~~points out~~ states that attenders are necessary only for Book & Budget section & the Audit sections. I also think there is not much work of the nature of attender's work viz picking up references to be done in current records. The Comptroller accepted Mr Datta's proposals which were very clear when he consulted him. No addl attender is in my opinion reqd. M 27/2

Mr Datta & the Comptroller (Mr. M.N.K.) considered one book-binder sufficient & I agree with this opinion M 27/2

I do not agree. See page 41 of Mr Datta's note. He considered six peons for local auditors sufficient (para 67) i.e. ~~all~~ the 12 local auditors & the Civil Courts & the Commercial auditor.

of the building and at least 5 watchmen ... all would be required, so as to engage 3 men at a time on 2 shifts and relief to one man during each shift. Recently the Comptroller had asked for Police patrol, when in reply, he was informed that he should make his own arrangements by posting menials for the work. So his request for the 2 additional watchmen, which appears to be necessary may be sanctioned.

3. The next point on which the Comptroller solicits sanction is to raise the pay of some members of the Menial establishment as follows:-

			Rs.
(a) 1 Jamadar	From Rs.14	to Rs.18	excess 4
(b) 2 Duffedars Rs. 12 each	to 15	14	5
(c) 3 sweepers Rs.6 each	to 2 at 8	1-7	5

These proposals may be sd? WP WP

All these proposals appear to be reasonable and may be sanctioned. The pay of the Head of the Menial establishment in other offices is comparatively high, and it is but fair that that the head of similar establishment in the Audit Office, should also bear some fair comparison with others. The pay of the other two top appointments should also be relatively high, and what is proposed is not much. The increase proposed to sweepers is nothing but living wages. His

4. The aggregate amount of extra expenditure involved is Rs.93 permensem as proposed by the Comptroller and Rs.73 permensem as suggested in the rules above, or Rs.1116 and 876 respectively per annum.

SIR,

Adverting to Government Order No. F.L. 4613-52/G.F. 92-17-3 of 26th February 1918, sanctioning the revision of the Scale of Establishment of this office, I have the honor to state that in giving effect to the revision of the Menial Establishment and the appointments of Attenders sanctioned under the new scheme, the following considerations were kept in view in distributing the men among the several grades.

1. There were prior to the introduction of the new scheme two Book-Binders on Rs. 18/- and Rs. 15/- respectively. One of them who was getting Rs. 15/- has been continued as such on Rs. 15/-. The other though not a literate to be appointed as an Attender on Rs. 18/- in the new scale, has pending orders of Government for his absorption in some sanctioned scale of Establishment in this or other offices, been taken against one of the two Attenders on Rs. 18/-. One on Rs. 16/- who was a Mutchi who is not also a literate, has till he can be absorbed in some sanctioned establishment, also been taken against one of the Attender's places on Rs. 16/-

2. Another temporary Mutchi on Rs.15/- in the Railway Construction Section who is also illiterate has, pending arrangements for his absorption otherwise, been given the place of a temporary Attender on Rs.14/- sanctioned for the Railway Construction Section of this office. I request that these arrangements may be kindly approved.

3. In the distribution of Attenders shown in para 67 of Mr. Dutta's Note, no provision is made for any Attenders for the current Records. Owing to the need for binding a large number of Vouchers which make up several volumes every month, and for binding many books purchased for the Comptroller's office Library with paper wrappers and for rebinding books and registers damaged by constant use, it is necessary to have some more Binders. There is at present only one Book-binder for the whole office and at least two more Binders are necessary for the Library. I therefore request you will kindly obtain the sanction of Government for the entertainment of one additional Attender for the Records on Rs.16/- and two Book-binders for the Library on Rs.20/- and Rs.18/- respectively.

4. All the Local Auditors and Outside Auditors are provided with a peon each and the duties of the Commercial Auditor are of the same nature as ~~of~~ those of the Local Auditors and a peon is quite necessary for him. I request you will kindly obtain sanction of Government for an additional peon on Rs.8/-.

5. Provision is made for only two watchmen for ~~this~~ the office. The office is located in all the three floors of the building and three watchmen are quite necessary to guard the office out of office hours. The watch will not be satisfactory unless at least two shifts can be arranged for, for which at least four watchmen would be required if relief is given to one man during each shift. I therefore request you will kindly obtain the sanction of Government for two additional watchers, one on Rs.9/- and one on Rs.8/-.

6. In the order referred to above, the following rates of pay have

been

9

been sanctioned for the Menial Establishment of this office:-

Jamadar	14
Daffadar	12
Peons	11, 10, 9 & 8
Sweepers	6

Page 20 of the 4/6 1 6

7 A statement showing the ~~No.~~ number of Menials and the pay allowed to Jamadars and Daffadars in some of the Head Quarter Offices is enclosed for the information of Government. The pay of Jamadars, Chobdars and Daffadars of the General and Revenue Secretariat ranges from Rs.15/- to Rs.30/- per mensem. The Jamadar of this office should in fairness to his position as the Headman of a Menial Staff of 55 men, be regarded as at least of the same status and pay as that of a Chobdar of the Secretariat. I request therefore that the pay of the Jamadar may be raised from Rs.14/- to Rs.18/-. Corresponding with this increase, I beg to recommend that the pay of the two Daffadars which is now fixed at Rs.12/- be raised to Rs.15/- and Rs.14/- respectively.

8. The pay of the Sweepers is fixed at Rs.6/-. It is not possible to get any men in Bangalore on this pay. The Secretariat pays Rs.8/- to 10/- to the Sweepers. I request that the pay of the Sweepers may be raised to 2 at Rs.8/- and one at Rs.7/-.

I have the honor to be,

Sir,

Your most obedient servant,

T. Satyanarayana
